Webinar

Early school leaving is a complex issue caused by individual, institutional and country-level contextual factors. Preventing young people from leaving school early requires strategic and comprehensive approaches from stakeholders on all levels of education.

Join us for our webinar to hear more about these responses to early school leaving from several perspectives.

Speakers:

- 🕒 **Pathways to school success**, *Monica Menapace, Policy Officer, The European Commission*
- 🕒 **Early Warning Systems to Prevent Disengagement and Early School Leaving: Lessons learned from Schools and Municipalities in a Swedish Context**, *Anna Liljeström, PhD, Swedish Association of Local Authorities and Regions (SALAR)*
- 🕒 **Our experience regarding a development program for Completed Education**, *Johan Sundqvist, Development Manager Systematic Quality Management towards schools and pre-schools and Åsa Karström, Method Developer school attendance at Ekerö Municipality*
